(01) Conversation between Mother and Daughter about New School!!

Mother: How's your new school, Lavanya?

Lavanya: Oh... It's fine. I like it very much. Now I've a lot of new friends. Shivani, Rubini, Balaji, and.

Mother: And your new teacher?

Lavanya: Yes, He's very kind. He sings and plays the piano beautifully.

Mother: Oh... Then you all like him very much.

Lavanya: Yes, everyone likes him.

Mother: Did you get your new books?

Lavanya: Yes, I got them. They are very interesting with a lot of colour pictures.

Mother: Then I'm sure you're going to enjoy your lessons.

Lavanya: Of course, I will enjoy.

Mother: You are tired and hungry, Lavanya. Come, let's have lunch.

Lavanya: Yes, mom... Very hungry, come on.

(02) Conversation about Higher Studies between Father and Son!!

Father: I think your exam is very near.

Son: Yes, dad. And I am ready for that.

Father: Did you finish reading everything?

Son: Yes, I have already revised my book several times.

Father: So which rank do you expect?

Son: I hope that I will get first place. In the model exam, I got first place and secured the highest marks in our school.

Father: Fine, I expect you will score good marks in the HSC examination.

Son: If everything goes fine, then I will fulfill your expectation.

Father: This exam is very crucial because your higher study will depend on this result. If you didn't study well in HSC, then you may not get chance for higher study in a reputed university.

Son: That's true and I am serious in my studies.

Father: Another thing that your career will depend on the area of your higher study. So this result will actually determine your career as well.

Son: Oh really?

Father: So do your best, my son.

Son: Don't worry, dad. I am fully prepared.

Father: Now it's too late, so go and sleep. Let me know if you need anything. Good night.

Son: Good night.

(03) Conversation between Father and Daughter

Father: I received progress report of your examination.

Daughter: Have I passed all the subjects?

Father: You have failed in Science subjects especially Physics and Chemistry.

Daughter: My all teachers are not in my favor.

Father: Do not blame them. Teachers taught you very well. Your report shows that you are very lazy and careless. What was the reason of your bad marks?

Daughter: I became upset when I read the questions in the exam. Because I did not study those questions.

Father: You should be ashamed of yourself. You have disappointed me.

Daughter: I am sorry. I promise you to study from today. My next progress report would be excellent Dad.

Father: Promise?

Daughter: Yes, Dad.

Father: Ok, Study well and get good marks in your next exam.

(04) Conversation between Father, Mother, Brother and Sister!!

Father: I've just received a letter from Arun.

Mother: What does he say? Has he found a new place to stay?

Father: Yes. He has. It's in Besant Nagar.

Brother: Is it a nice place?

Father: I think so. He says it's a large building with three floors. He lives in the flat on the first floor.

Brother: A flat?

Father: Yes. It has a bed room, a hall, a kitchen and a washroom.

Brother: Is there a garden?

Father: No. He says the whole building is in a small plot.

Sister: Poor Arun! He'll miss many things.

Brother: Yes. He'll miss his gardening, long walks and picking fruits. He'll be missing you too.

Sister: Of course, He'll miss bathing in the river...a thing that he enjoy the most.

Mother: Whether he will be happy in his flat?

Father: Why not? It has many other facilities. It has water on the tap; electricity and everything you need.

Brother: You're right. It must be quite modern.

(05) Conversation between Father and Son...!!

Ravi: I have a request to you.

Father: Please Tell me.

Ravi: My school members is going on a picnic to Kodaikanal.

Father: Ohh, Ok.

Ravi: I also want to go along with my class friends.

Father: Who are all going to picnic?

Ravi: Kadhir, Soundar, Sathish are going on picnic.

Father: For how many days you are all going to Kodaikanal?

Ravi: Only for one week.

Father: When they are going to picnic?

Ravi: Tomorrow night.

Father: Ok you may go. How much money you want?

Ravi: One thousand rupees only.

Father: Alright take this money. Keep mobile with you. Notify me when you reach there.

Ravi: Mom! It is great pleasure; Father has allowed me to go for picnic. Please pack my bag with dresses. Mom, please give me your camera for taking photos.

Father: Keep camera safely.

Ravi: Sure, Thanks.

(06) Conversation between Husband and Wife about Marriage!!

Wife: Isn't Malathi a beautiful girl?

Husband: Why? she's quite beautiful. She is medium built, fair and of average height.

Wife: Do you think she's a good match for Pradeep?

Husband: I think she's perfect. Besides her beauty, she had a good education and she hails from a good family. What else do you want?

Wife: Will Pradeep agree to marry this girl?

Husband: That I don't know, but I find no reasons why he should reject or disagree.

Wife: Then why don't you persuade him?

Husband: Certainly. I will. He's very particular that his life partner should have a good education and he prefers a working girl.

Wife: Are you sure Pradeep will say 'yes'?

Husband: I'm not an astrologer. We have to wait for Pradeep's words.

Wife: I believe that Malathi will be a good wife for him.

Husband: Why do you focus only on Pradeep's consent for this alliance?

Wife: Have you ever thought what Malathi would say about your son Pradeep?

Husband: No, I have no idea.

Wife: Ok leave it, God will take care of it.

(07) Conversation at the Dining Table!

Karun: I enjoyed your lunch very much. I really like rice and curry.

Vijay: Are you sure the curry wasn't too hot, Karun?

Karun: No, it was quite hot, but it wasn't too hot. I wouldn't mind a cold drink though.

Vijay: But I'm not sure a cold drink is the best thing if you found the curry a little hot for you. It'll probably make you hotter and even give you cough.

Karun: Yes. I think you are right.

Vijay: Can I offer you some fruit instead?

Karun: It's a good idea!

Vijay: Why not have a slice of pineapple! They are very sweet and juicy. Shall I cut you a slice?

Karun: Yes, Please. It looks very nice.

(30) Conversation between two friends about road accidents...!

Rahim: Hello Kamal, why are you sad?

Kamal: Today I have read the news about tragic road accident.

Rahim: But the road accident has become a daily affair in our country.

Kamal: Yes, but this news shocked me terribly.

Rahim: What is that news?

Kamal: It was reported that all the members of a family died in the accident while they were going to attend the wedding party.

Rahim: How did the accident happen?

Kamal: While the car was coming towards Dhaka, a loaded truck was coming from the opposite direction and collided with the car.

Rahim: What a pity it is!

Kamal: Can you tell me the reasons for the frequent road accidents in our country?

Rahim: From newspapers and other electronic media, I came to know that more accident occurs due to the reckless drivers, unfit vehicles, and bad conditions of roads.

Kamal: Can you please tell me how we can control or reduce the number of road accidents?

Rahim: At first, we should train up our drivers properly. Unauthorized and unlicensed vehicles have to be removed. Also, drivers should be insisted to follow the traffic rules compulsory.

Kamal: Yes, you are right.

Rahim: Thank you very much. See you later.

(31) Conversation between two friends about the Garden...!!

Logesh: Hello Rajesh.

Rajesh: Hello, how are you?

Logesh: I am fine. Is this your garden?

Rajesh: Yes, It's my garden only. Today is a holiday so I'll work for some time in my garden.

Haritha: Good thinking. Nowadays it has been common to break the college rules by most of the students.

Kasthuri: You are right. Most of them have no idea about the responsibilities for college and for society.

Haritha: Exactly! Their main duty is to study and acquire knowledge, but most of them are not ready to study properly.

Kasthuri: Yes, they are busy with wrong activities. They think that they are coming to the college to spend the time. It is really a sorrowful matter.

Haritha: You are right.

Kasthuri: Yes, they have some social responsibilities such as to assist the poor people who are financially in crisis.

Haritha: Right! To establish a peaceful society is their responsibility. They can also extend their helping hand to make the environment clean.

Kasthuri: They should realize the negative impact of superstitions and make the people conscious about them.

Haritha: Definitely! Thank you for such a nice discussion.

Kasthuri: Bye and see you again.

(67) Conversation about Bad Effects of Smoking...!!

Ravi: Hello Suman, how are you?

Suman: Thanks. I am fine how are you?

Ravi: Thanks, I am also fine. There is a different smell around us.

Suman: Nothing. It's an odor of smoking.

Ravi: Oh my God! Are you a smoker?

Suman: Why are you so excited? Smoking is not too very bad.

Ravi: Not bad? Don't you know the bad effect of smoking?

Suman: If smoking is bad, why do many people smoke around the world?

Ravi: They smoke because they don't understand the bad effect. Do you know smoking causes cancer?

Suman: Cancer?

Ravi: Yes, cancer. Smoking causes many other diseases. It also affects our lungs.

Suman: Of course. I will not smoke further.

Ravi: And you should persuade people not to smoke.

Suman: Thank you very much for your valuable advice.

Ravi: You are most welcome. Bye.

(68) Conversation about lack of electricity!!

Ruban: Hello Nehru! How are you?

Nehru: I am fine. What about you?

Ruban: I am also fine. In fact, we are facing the same problem - that is lack of electricity. There was no electricity in our locality last night.

Nehru: Similarly, in our region there is a problem like this. Now this has turned into a big problem.

Ruban: Yes, we have no option and we should live in darkness and heat.

Nehru: Exactly! Imagine yourself what will happen without electricity as the student's exam is knocking at the door.

Ruban: Last night I could not read at all. You know tomorrow is my English exam.

Nehru: Lack of electricity is causing much harm to the examinees and the patients who are under the knife of a surgeon.

Ruban: The sufferings caused to the examinees and patients cannot be described in words at this moment.

Nehru: Yes, indeed! Besides, the fruits we preserve in refrigerators turn rotten.

Ruban: Yes!

Nehru: The industries are more susceptible. This leads to big loss to factories.

Ruban: Exactly! The government should take necessary measures on emergency basis to ensure adequate production of electricity to remove the curse of lack of electricity.

Nehru: Certainly!

Ruban: It's time to go for classes now, see you again.

(69) Conversation about wastage of food...!!

Raj: Hi Thilak, how are you?

Thilak: I'm Fine. And You?

Raj: Fine.

Thilak: You seem to be so worried?

Raj: Yes. I'm worried about wastage of food in our town and it is generally going on.

Thilak: I completely agree with your comment.

Raj: I just wonder why people waste so much food, knowing well there are millions of people in our country who don't get a meal everyday!

Thilak: There is wastage of food stuff at wedding receptions, and other functions.

Raj: Huge quantities of food wasted on roads are mostly eaten by dogs, cows and other animals.

Thilak: How careless people are?

Raj: We need to make awareness for every people.

Thilak: Yes, this is very good idea.

Raj: Ok.

Thilak: Thank you so much for giving this valuable information.

(70) Conversation about Saving Electricity...!!

Radha: Hi Maya! Why are you looking sad?

Maya: I am very worried about our future.

Radha: What happened?

Maya: I had an essay competition on saving electricity. When I learned for it I understood that, how electricity is helpful to us and also how we are wasting it.

Radha: That's true. People will never understand now but they will feel it later.

Maya: Yes.

Radha: I have advised my friends and made them realise their mistake. Now they are cautious. Why don't you try?

Maya: Yes, but how will I?

Radha: Why can't you? Electricity is very important. If we waste it, we may not be able to produce more electricity in future. There is no use of worrying at that time. So, Prevention is better than cure. Tell your friends. They will tell their friends and relatives. Let's take the initiative.

Maya: Thanks for giving valuable Information.

Radha: Ok, Bye.

(71) Conversation to improve your Reading Habit...!!

Gugan: Hello Raj! How are you?

Raj: I am all right. What about you?

Gugan: I am also fine. How is your days going?

Raj: It's okay, but nowadays I'm not interested in reading textbooks.

Gugan: But you need to spend more time on reading books, right?

Raj: Yes, I know. But knowledge can't be completed by reading textbooks.

Gugan: You are perfectly right. But reading textbooks is compulsory while reading books other than textbooks is optional.

Raj: I think we should read all kinds of books not just textbooks but also other books.

Gugan: Oh, I see you are quite correct. In fact, reading makes a man complete.

Raj: Exactly! Without reading we can't expand our knowledge. What's your area of interest?

Gugan: I like detective novels very much. I spend my leisure time on reading books.

Raj: Excellent! I think a book is like a living person and a good book is a good companion.

Gugan: I also think so, Thank you.

Guna: I'm Fine. What about You?

Sukil: Fine. And you seem to be very upset today.

Guna: Yes, I'm thinking about the effect of ozone depletion.

Sukil: So let you tell me what that means.

Guna: Ozone layer depletion is one of the most serious problems faced by our planet earth.

Sukil: Really?

Guna: The most important reason for ozone layer depletion is the production and emission of chlorofluorocarbons (CFCs). This causes human health problems such as skin cancer, eye damage etc.

Sukil: Because of this so many problems occur in humans?

Guna: Why not? Also the whole world is vulnerable to its effects.

Sukil: Will the world be affected?

Guna: Buying and using recycled products, using public transport can prevent ozone layer depletion.

Sukil: Well, what can we do about it?

Guna: The most important thing that we can do is, creating awareness.

Sukil: Thank you, for giving the awareness about Ozone layer depletion.

Guna: Thank you, See you later.

Nithesh: Fine. I am going to Market to buy vegetables, but where are you going?

Harish: To buy some electronic items and clothes, I am going to store.

Nithesh: Well. You also come with me. One of my friends has an electronic shop there. It will be better to go there on foot.

Harish: Why? Will there be more road accidents here?

Nithesh: Yes, in fact road accidents are very frequent nowadays.

Harish: Can you tell me the causes of these frequent road accidents.

Nithesh: Drivers do not follow the traffic rules.

Harish: You are right.

Nithesh: The levity of common people is also responsible to road accident.

Harish: Whatever the reasons are there, I feel very insecure when I go out on the streets.

Nithesh: The authority is not serious enough to check the accidents that occur every day.

Harish: The government should take a precautionary measure.

Nithesh: You are right.

Harish: It's time to go home. Let's meet later.

Nithesh: Bye.

Mahesh: Everything is going smooth. What about you?

Rohit: Same here. What's your plan for this weekend?

Mahesh: Nothing much. Do you have any plan?

Rohit: I've been thinking about going out a picnic since the last weekend. What do you say?

Mahesh: Ooty would be great. Do you've any location in mind?

Rohit: I think Nilgiris will be the correct place. We can stay a night there in the government guest house maintained by the forest department.

Mahesh: Can you tell more about the place? What activities we can take to there?

Rohit: The guest house is located on the backwards of a dam. We can make different activities in the surrounding area.

Mahesh: Will there be enough space?

Rohit: Yes, we can hike down from the guest house to the dam in an hour and then finally walk back to the guest house in the evening. We can also take boat ride on the backwater, but for that we'll have to walk 2-3 kilometers. There is forest all around that area, and on the next day we can loiter around.

Mahesh: I'll come definitely. Let's ask few more friends.

Rohit: Ok, Tell me quickly.

Mahesh: Let's speak to others today and get the final consent by tomorrow.

Rohit: Ok, waiting for you.

(104) Conversation between two friends about Earthworm!!

Kamalini: Dilani, stop splashing water all over us.

Dilani: What! Blame the puddles after rain, not me. Look ! There's an earthworm.

Kamalini: An earthworm?

Dilani: Why? Haven't you seen one before?

Kamalini: No, never.

Dilani: Don't pretend ... They're common worms ... Can see worms everywhere after rains.

Kamalini: Why don't we see them before rains?

Dilani: Well, when their burrows are filled with rain water, they come to the surface.

Kamalini: How sad! Poor creatures! Oh! what's this?

Dilani: It's a worm cast... made by the worm.

Kamalini: How interesting!

Dilani: The earthworm swallows the soil, the Vegetable matter in it gets digested and broken down.

Kamalini: And then?

Dilani: Well, that's what you see here... soil passed out by the earth worm. This soil is very fertile.

Kamalini: Isn't it a wonderful process?

Dilani: certainly. The air also makes the soil fertile.

Kamalini: You're very clever, Dilani; I'm amazed that you know so much I never thought there's life beneath us.

(105) Conversation between Two Friends About Tree Plantation!

Krishna: Hello Raman, how are you?

Raman: Fine and what about you?

Krishna: I am also fine. Where did you go yesterday? I was waiting for you.

Raman: I went to the Tree Fair to buy some saplings. Tree Fair has been going on for last five days. It will still continue for two days.

Krishna: Which group organized this Tree Fair?

Raman: The Department of Agriculture and Forests is organizing this Tree Fair every year in all the cities on the occasion of National Green Week.

Krishna: Why do they organize this Tree Fair?

Raman: It appears strange to me, that you are not yet fully aware of the importance of tree plantation.

Krishna: Right you are. Please tell me about the importance of tree plantation. I want to know about it in detail.

Raman: Trees give us shade and shelter. We cannot think of our existing life without trees.

Krishna: But some people cut these trees. What will be the result?

Raman: If we cut trees, one day our country will turn into a desert and rise of temperatures.

Krishna: Now I realize that planting trees is important for saving lives and maintaining the environmental balance of the environment.

(108) Conversation between two friends about Wealth and Health!

Rahul: Hi Kathir, how are you?

Kathir: I am fine, What about you?

Rahul: I am also fine. Do have any work now?

Kathir: Tell me, there's no work now.

Rahul: Can we involve in a debate now?

Kathir: Ok, Rahul.

Rahul: Its title is - Is Health is necessary? or wealth?, I would say that health is important.

Kathir: Why?

Rahul: Every healthy person can earn wealth.

Kathir: No, wealth is God's gift. For example, you can not travel without money. Without wealth you can not take the right food. Even death requires money. Without the blessings of wealth you can not bury the dead.

Rahul: Yes, you are right but health is a blessing of God Almighty. Health is too important for an human being.

Kathir: I realized that we all should pray to God first for health and then for wealth. I accept that health is more important than wealth.

(109) Conversation about Cleaning Garden...!

Mother: What can we do today? Shall we go out to park?

Father: No, instead of that we can spend time in our garden.

Mother: Ya sure, Wait I will inform it to our children.

Father: I will leave now. After an hour, you come along with our children.

(After an hour)

Mother: Our garden is dirty. It looks like so neglected.

Father: Yes. If you all help, we can clean it up in a couple of hours. Where should we begin?

Son: Let's begin with the hedge. Give me the shears. I'll cut it neatly.

Father: Alright, then I'll clear the cutted leaves.

Son: I'll dig a pit here, burry all the cutted leaves in the pit. Mummy, there's a hoe on the ground near you, give it to me.

Daughter: I want to do something. Can I cut the lawn?

Father: It's a heavy job. I'll do that.

Son: How can I cut these thick stems?

Mother: Take the Scythe.

Father: Well done! I think we've done a lot in such a short time. Now the garden looks neat!

Mother: Yes, our garden looks so beautiful now.

(110) Conversation between Suresh and Sultan about environmental pollution!!

Suresh: Hello Sultan. How are you?

Sultan: I am fine. How are you?

Suresh: I am also fine. Where are you going?

Sultan: I am going to tell the mayor for requesting him to take steps against environment pollution.

Suresh: Environment pollution has become a great problem in our life.

Sultan: You are right. Though the environment helps us to exist, we don't bother of it. We are polluting it indiscriminately.

Suresh: People are not aware of it. They throw their waste here and there.

Sultan: Factories are polluting the environment through their toxic chemicals.

Suresh: Too much vehicles are polluting the air by smoke.

Sultan: Human wastes are polluting the water.

Suresh: Farmers use fertilizers and pesticides for more production. But these chemicals get mixed with pond and river water.

Sultan: Every day the usage of fuel is increasing. These are also responsible for pollution.

Suresh: But we cannot exist without them.

Sultan: You are right. But, we should be conscious of it.

Suresh: So, what should we do?

Sultan: We should take care of our environment.

Suresh: I agree with your opinion. I have to go now. See you later.

(111) Conversation about asking Personal Information!!

Sultan: Hello Raju! How are you?

Raju: I am fine. How about you?

Sultan: I am also fine. What's the problem? What are you thinking of?

Raju: I am thinking of the miseries of the flood-affected people in our area.

Sultan: Oh, it has really caused many miseries.

Raju: You might have noticed that a vast tract of land looks like a sheet of water. People had to desert the villages. Thousands are already rendered homeless.

Sultan: Yes, they have been shifted to emergency flood-centers. Relief materials are scanty. Some of them have already died.

Raju: It is terribly shocking.

Sultan: Yes, I have seen many corpses and carcasses flowing down on the streams of water. There is another negative effect of it. They are polluting water.

Raju: Besides, the stench that comes out of them is very harmful to the environment. Diseases have started breaking out.

Sultan: Yes, the incidence of cholera, diarrhea, typhoid, fever and flu has greatly increased recently.

Raju: This water has caused a ghastly havoc. Many houses drowned in water.

Sultan: Yes, this is the biggest destruction.

Raju: ok bye, I have some work.

Priya: May I come in, Sir?

Principal: Come in.

Priya: Good morning, Sir.

Principal: Good morning, what is your purpose to come here?

Priya: I have come to you to request for promoting me to 10th class in A section. I got good marks in all subjects but I could not get good marks in English only.

Principal: How many marks have you got in English?

Priya: I was able to get only 25 marks in this exam.

Principal: Why did you get so few marks in compulsory subjects like English?

Priya: I was ill at the day of English Exam. So I could not write properly.

Principal: Call your class teacher.

Class teacher: Good morning, Sir.

Principal: Good morning. How is Priya studying in this class?

Class teacher: She is good in her classes but she could not get pass marks in English because she was ill on that day.

Principal: Should we promote her to the 10th class in A section?

Class teacher: Yes, Sir.

Principal: Now stay in Class 10 section B. If you want to go to Class 10 section A, you will have a small test in English. If you pass in that test, you will be changed to Class 10 A.

(138) Conversation between Two Friends about Village!!

Sasi: Hi Sasi. Why haven't you gone to the village yet?

Sudha: No, I don't want to leave the comfortable life of the city, I don't have these comfortable life in villages.

Sasi: You have a very bad impression about village life. Why?

Sudha: Yes, I am saying right. I hope that, village life will not be comfortable for me.

Sasi: Why do you say that?

Sudha: Cities have more facilities. Better houses, better means of communication, more and more.

Sasi: My friend! Your opinion is wrong. Now, Many villages have become modern. Villages also has well defined hospitals. Sanitary system has been improved.

Sudha: But the people of cities live comfortable life.

Sasi: In cities, a large number of people live in small houses which is injurious to health. Polluted air, dirty streets and stinking drains spread many diseases. But villagers live in a unpolluted area.

Sudha: I came to know about the village life well. Thank you for your sympathy.

Kavin: Hello Anandh! How is your health?

Anand: Some what Better, but I feel very weak.

Kavin: It seems to me, you are very careless about your health. Do you exercise regularly?

Anand: Yes, you are absolutely right. I am not interested in doing physical exercise.

Kavin: But you have to understand one thing clearly. Exercise helps to keep our body strong.

Anand: Yes, you are right.

Kavin: If you don't take physical exercise regularly, you can't keep yourself fit and do anything properly.

Anand: It seems to me you are absolutely correct. Now tell me what should I do.

Kavin: You should take physical exercise regularly. Apart from this, a balanced diet should be maintained to keep your body fit.

Anand: What do you mean by a balanced diet? Please tell me in detail.

Kavin: A balanced diet means to take regular food containing all the necessary ingredients needed for health in right proportion.

Anand: I think taking physical exercise and eating a balanced diet regularly is important for good health.

Student: May I come in Sir?

Teacher: Yes, come in. Why did not you wear your school uniform today?

Student: Sorry, Sir. I have sent the most of my school dress to the laundry. It's too late for me. But I couldn't miss my classes. So I'm back to school without uniform.

Teacher: Good, You should not miss your classes. Keep in mind that, school uniform signifies school identity and unity.

Student: Ohh, would you please explain this, sir?

Teacher: Oh yes, when you use your school dress, it appears that you belong to the school. It gives an identity.

Student: Ohh.

Teacher: But, when you don't use the school dress, it seems that you are a different person in the school. Your identity is lost.

Student: I am extremely sorry, sir. Today when I entered the class, everyone looked at me as an unexpected stranger.

Teacher: Do you understand why I am so clear about school uniform?

Student: Yes, sir. I will not do the same mistake again.

Teacher: Ok, Go to your class.

Student: Thank you, sir.

Kumar: Hello Sathish. How are you?

Sathish: I'm fine and You?

Kumar: I'm fine too. It is long time since I met you last.

Sathish: But we have kept constant contact over mobile phone.

Kumar: Yes, this mobile phone has become a very important factor in our life. We cannot do anything without it.

Sathish: Right. In fact, it has made our life easy and comfortable.

Kumar: And it has made our global communication faster.

Sathish: But it has some disadvantages too.

Kumar: You are right. It causes brain tumor, genetic damage and many other incurable diseases.

Sathish: Yes, during conversation, the blood brain barrier may get damaged, the blood pressure may get high and the red blood cells may get affected.

Kumar: It is also hazardous for the children and pregnant women.

Sathish: The criminals are also carrying out their operations with the help of it.

Kumar: Besides, it causes a lot of harm to the teenagers.

Sathish: All these are very true. Though we are getting immense benefits from it, we should use it with care and caution to avoid its demerits.

Kumar: Thank You, See you Later.

(189) Conversation between two Friends about College Admission...!!

Sivaani: Hi Kanika! How are you?

Kanika: I am good, Sivaani. What's up?

Sivaani: I am just a bit tensed up about the cut-off mark this year at Delhi University.

Kanika: Same here. I scored 96% but I scared if that would be enough to get me into St Stephens or Lady Shri Ram.

Sivaani: I have a similar story. I scored just slightly below 96% but going by the trend of previous years, it looks like even 97% won't be enough.

Kanika: Which courses are you aiming for?

Sivaani: B.Com or Department of Economics would be great. I plan to do an MBA as well after graduation, so let's wait and watch what happens.

Kanika: Just look at the placements at the top colleges and compare with the ordinary ones. There is a huge difference!

Sivaani: I guess you are right. What's the admission process for the Delhi University? I am not fully aware of the same.

Kanika: You have to first register yourself on the official website.

Sivaani: Thanks.

(190) Conversation between Two Friends about Flood Affected area!!

Sakthi: I am fine. What are you thinking about?

Raju: I am thinking of the untold miseries of the flood affected people in our area.

Sakthi: Oh, I see!

Raju: You might have noticed that more areas are affected. Thousands of the peoples have already lost their homes.

Sakthi: Yes, they have been shifted to emergency flood-centers. Relief materials are scanty. Some of them have already died.

Raju: It is terribly shocking. Animals have no relief camps.

Sakthi: Yes, I have seen many corpses floating in the streams of water. They are seriously polluting water.

Raju: Besides, the stench that comes out of them is very harmful to the environment. Thus there is the risk of diseases.

Sakthi: Yes. cholera, diarrhea, typhoid and fever has greatly increased recently. Not enough medical facilities are available here.

Raju: Exactly! I can't understand what they would get to do even if they can return home safe after flood. I can no more think. Let's go to the relief camp and work as volunteers.

Sakthi: Excellent idea! Let's join and help the people.

Raju: Come, lets go.

Hari: Say Madhan. what happen?

Madhan: Do you know what happened today at college afterwards when you left for home.

Hari: No, what happened? Any serious problem?

Madhan: Actually as you left for home within 5 minutes one of our student was waiting for bus at roadside. At that time a lorry and school vehicle collided. Our student also injured in that accident.

Hari: Then what happened? How is he now?

Madhan: He is Okay. He has got minor injuries. We all took him immediately to a nearby hospital.

Hari: And what happened to those persons who were on the lorry?

Madhan: Two of them were injured. One has got his hand fractured and the other person had a leg injury. And rest of them are fine with minor sprains and injuries.

Hari: What happened to that school vehicle?

Madhan: No one got injured.

Hari: Everything is alright. No one had got any serious injury.

Madhan: Ya. Okay now you go and do your work and I'm also going. We will meet tomorrow at college.

Hari: Okay, Bye.

Madhan: Thank you.

(196) Conversation about Planning for going out for Dinner!!

Senthil: Shall we go out for dinner tonight?

Kumar: Why? Your wife doesn't prepare any dinner today?

Senthil: No, my wife and children have gone to hometown.

Kumar: Oh, Ok. For which restaurant can we go?

Senthil: There is a restaurant called Adithya near my house. We'll always eat there and the food there will be very tasty.

Kumar: Really? I have not gone to that restaurant so far?

Senthil: Here chicken biryani will be delicious.

Kumar: All right, will it be spicy?

Senthil: Yes. it is too spicy and very tasty, so it's my favorite food.

Kumar: Ok, Here, how the taste of sweets will be?

Senthil: Laddu is very tasty here.

Kumar: Shall we order it.

Senthil: Ok.

Kumar: Yes, biryani is very delicious here.

Senthil: That's Good.

Kumar: Ok, can we drink coffee now?

Senthil: Oh, Yes.

Kumar: Ok, It's too late. See you Later. Bye.

Senthil: Bye.

(197) Conversation between Akhil and Sankar about Getting Job!!

Akhil: Good Morning, Sankar.

Sankar: Good Morning, Akhil.

Akhil: You seem to be very cheerful today.

Sankar: You are right. I've got a job.

Akhil: What a luck! You are actually a lucky man. Nowadays there are lot of difficulties in getting a job.

Sankar: It's definitely true. Often you have to give bribe to join in a job.

Akhil: That's why I haven't yet had a job. They don't seem to see my academic qualification. Rather they look at my pocket.

Sankar: Yes, nowadays its true. Because of it, can't get a job even after giving bribes.

Akhil: Surely. All of your words are true.

Sankar: How wretched we are! Problems are everywhere around us.

Akhil: It does not seem to be when the right solution is available.

Sankar: Ok Akhil, I will meet you later.

Akhil: Bye.

Ramya: What are you doing Karthika?

Karthika: I'm taking books for school tomorrow.

Ramya: After vacations its really very boring to do all this.

Karthika: In fact, I would like to enjoy few more days of vacation.

Ramya: I think that's the same. By the way I called you to give the reminder about tomorrow's quiz. Do you remember?

Karthika: Yes, I've done that. I have prepared for both the quiz's in maths and science.

Ramya: Have you forgotten something?

Karthika: I don't remember any other. Is there any other quiz also?

Ramya: Yes, there is a social quiz also.

Karthika: Oh my God! I forgot. Thanks for reminding me.

Ramya: Actually I also forgot it. It just struck my mind, Then I thought I must give you a reminder.

Karthika: If you haven't given me the reminder then I don't know what had happened tomorrow.

Ramya: Don't worry, now go and prepare for it. I am also going to study.

Karthika: Lets go to study. See you tomorrow at school.

Ramya: Bye.
